

ProtocolManager

```
classDiagram
    class ProtocolManager
    class ConsoleManager
    class UCIManager
    class XBoardManager
    ProtocolManager <|-- ConsoleManager
    ProtocolManager <|-- UCIManager
    ProtocolManager <|-- XBoardManager
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'ProtocolManager'. Below it are three boxes: 'ConsoleManager' on the left, 'UCIManager' in the center, and 'XBoardManager' on the right. A horizontal line connects the three lower boxes, and a vertical arrow points from the center of this line up to the 'ProtocolManager' box, indicating that the three lower classes inherit from the top class.
